November 2013

Dear Friends of Ministry Architecture

Mary Jo and I are grateful for your help this year. Your generous financial giving enabled us to globally serve missionaries and the people they serve.

Your loving prayers are the *powerhouse* for all we can do in Jesus' Name and given strength when we were weak and hope when we were at risk.

We remember you in our prayers and ask the Lord to reward you for your faithfulness and provide for you out of His glorious and unlimited resources.

A few highlights

1. As we celebrate Thanksgiving, remember on this very same day is the beginning of the Jewish celebration of Chanukah. This holiday was chosen by our Lord, described in John 10, when He declared: "...*I give them eternal life...*" and "...*I and My Father are one.*" Please look to bless a Jewish friend, remembering the Apostle Paul who wrote: "...*my heart's desire and prayer to God for Israel is that they may be saved.*" (Romans 10:1)

2. Please pray for the evening of **August 7, 2014** which is scheduled for the next presentation by **Joel C. Rosenberg** at our annual fundraiser at Calvary Chapel South Denver. We ask for wisdom, health, and opportunity to proclaim salvation through Jesus.

3. Len's cataract surgeries were successful and the healing process is good. Full vision should come before Christmas.

4. Len's sciatic nerve has had crippling pain. Yet, in the past eight days, with medication, prayer, and rest, there has been no pain.

5. A Recent Ministry Project: South Africa (Precept Ministries)

Precept Ministries International www.precept.org.za is known to many of you. It was raised up by God for the purpose of establishing people in God's Word.

Jack and Kay Arthur, founders of Precepts, have served the Lord around the world to equip and encourage people to live as * exemplary followers of Jesus Christ, * studying the Bible inductively, * viewing the world Biblically, * making disciples intentionally, and * serving the church faithfully in the power of the Holy Spirit.

The strategic branch in Capetown serves Africa through workshops, conferences, and Bible classes with training in Inductive Bible Study skills.

Our designs for them are nearly complete. In 2014 they will have renewed facilities for visiting missionaries and educators because of our adaptive reuse of two under-utilized houses into six apartments.

Precept South Africa Director, Stuart Kemsley teaching Inductive Bible Study to the men in Kenya and new Bibles are given to so many in need.

Thank you all for many volunteered hours to help us---prayers to sustain us--- contributions to meet expenses---and for your love for Ministry Architecture, Inc.

Our work is needed, thrilling, and very needful of your prayers:

- **Zimbabwe (children)**
- **Zambia (medical)**
- **South Africa (education)**
- **Borneo (medical)**
- **Thailand (children)**
- **Denver, Colorado (homeless)**

Your contributions are also still needed. If the Lord leads you, go to our website for directions to securely give on-line and receive a tax-deductible receipt www.ministryarchitecture.com (501 c 3 charitable organization).

Also, the front page of our website has a link to a 9-minute video of the work in Borneo and Thailand---and the audio of Joel's teaching at our fundraiser on August 8, 2013.

Love and best wishes to you for Thanksgiving, Christmas, and the New Year!
From Len and Mary Jo Rosenberg
