Ministry Architecture, Inc. Zimbabwe Update May 2014

“That you may walk (live and conduct yourselves) in a manner worthy of the Lord fully pleasing to Him and desiring to please Him in all things, bearing fruit in every good work and steadily growing and increasing in and by the knowledge of God (with fuller, deeper, and clearer insight, acquaintance, and recognition).

Projects are moving from design to construction

AIDS orphans in Zimbabwe don't live in residential group homes. They live with new families in villages even if they don't know one another. Sharon, for example, was the head of household at age 13. Having no one and no food, she had come for a weekend camp to learn the Bible. That was where we met her and started to support her. She was placed with a newly wed couple who was to become her new family. Our support will feed all three of them because they had few other means.

We pray for Sharon and hope to see her on **our trip to Zimbabwe**
MAY 25–JUNE 6.

JOEL C. ROSENBERG**

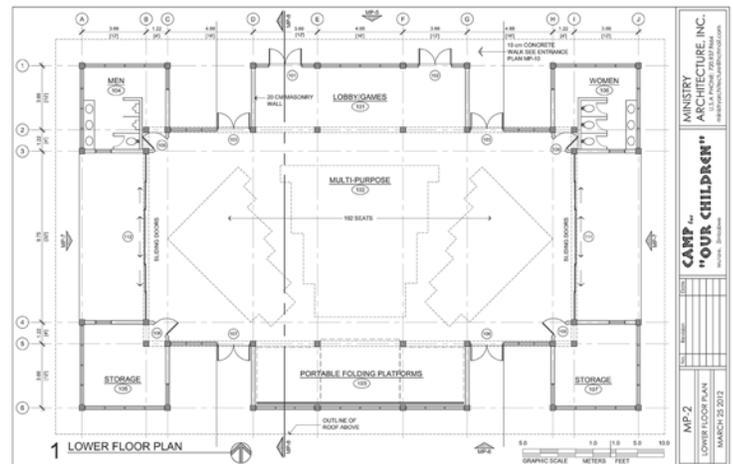

Ministry Architecture designed the multi purpose building for the kids' camp and pastors' training center. We started this project in 2011. The road is complete. Len has been asked to return to the site to observe the beginning of construction, excavations, steel reinforcing rods, and concrete work. Also, he will clarify plans with the builder, instruct the field manager, and pray with Pastor Onias, our client.

Pastor Onias Tapera was educated at Denver Seminary. Returning with his family to Zimbabwe, he is serving Jesus by caring for 500 AIDS orphans in several villages through a ministry called "Our Kids under the umbrella of Christian World Outreach" (CWO) in Denver. He also is the primary trainer for pastors in his region. Pastor Onias is faithful to God's Word and is helping pastors be aware of deception and false teaching.

Zimbabwe's project serves orphans and pastors. www.cwomissions.org

Mary Jo has offered to have a tea and Bible teaching with pastors' wives. She loves to encourage women. In addition to this, she will pray at the site for the completion of the building and take photographs for the video to be shown at our fundraiser later this summer. More to come on Borneo surgery center constructions and Thailand youth hostel construction.

Prayer Requests

1. Our travel time is from Sunday May 25 to Tuesday May 28, so we are asking for a quick recovery from the inevitable fatigue.
2. This is a short trip both in preparation and duration, so we hope The Lord will prepare Mary Jo to minister the Word according to the needs we encounter.
3. In contrast to our experience in Borneo, we hope to protect and return with the same passports with which we left Denver.
4. Please remember to pray for comfort to the homeless AIDS children and for Onias' teaching to the pastors (there is so much false teaching over there).
