Ministry Architecture, Inc. Uganda Update

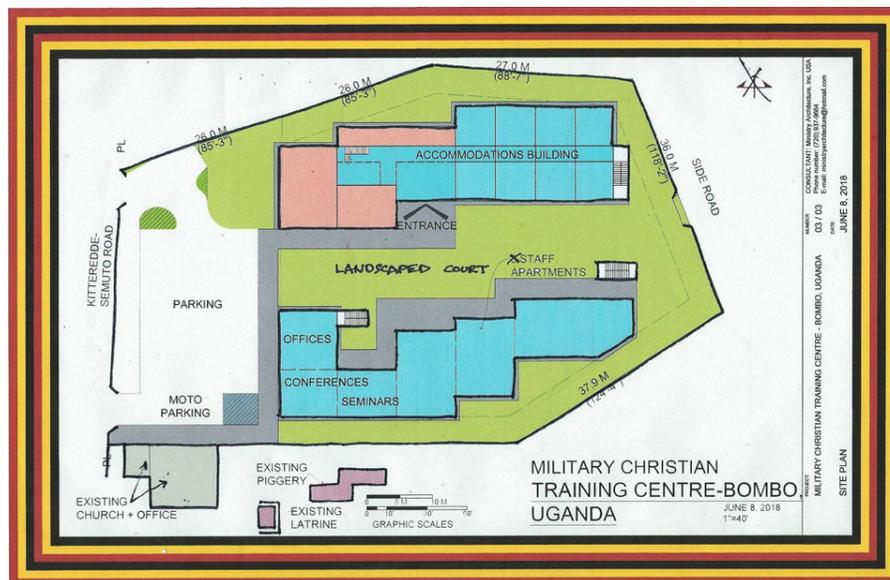

July 2018

Dear Friends, Prayer Partners, and Supporters,

Greetings to you and our appreciation for you in Jesus' Name.

SAVE THE DATE: Joel C. Rosenberg will be our guest speaker on **October 6, 2018, 7:00 p.m.**, at our annual Fundraiser at Calvary Chapel South Denver. We will have more details soon.

This brief but important news will give you a reason to rejoice: Our first phase for the design of the **Military Chaplains Training Center**, for the Uganda Military Christian Fellowship, is complete.

1. The Master Plan for the site has been drawn, presented at their headquarters in Kampala, and approved.

2. Chaplains, when trained, will begin providing needed spiritual care and moral guidance.
3. We learned there are many evangelicals, more than ever before, serving and leading in the Ugandan military. They have 22,000 soldiers in Somalia, fighting the merciless Al-Shabaab terrorists, and it is very dangerous.
4. Many officers whom we met are now deployed in Uganda. They are brave men and women who are serving with faith and courage. They have even established a church in Mogadishu and have used some of Mary Jo's Bible lessons.

5. We love our ministry role, providing architectural and engineering services, and it is going well. We are assisted by our summer intern, Andrea Salgado, a senior architectural student from Honduras. She is producing our computer drawings.

We thank the Lord for His calling and for your part in the work.

**“The fervent prayers of God’s people
accomplish a lot!!!”**

Len and Mary Jo Rosenberg
